Indoor Marijuana Cultivation

April 26 – 27, 2010 (16 hours)
POST Certified Plan IV

Free to all Law Enforcement Personnel

**This class is presented through funding from the
Midwest Counterdrug Training Center**

This class is for individuals assigned to investigate cases involving the indoor growing and harvesting of marijuana. This two-day course is designed to equip investigating officers and support personnel with the tools necessary to detect, search and seize, prosecute and testify on indoor marijuana grow cases.

Topics include:

- In depth study of cannabis horticulture
- Equipment required to cultivate marijuana indoors
- Indoor growing techniques
- Conducting indoor Marijuana grow investigations
- Search warrants/Thermal Imaging search warrants
- Scene search/evidence collection
- Courtroom Testimony

Instructor: Inspector Les Kjemhus, Royal Canadian Mounted Police (retired)

Mr. Kjemhus is a internationally recognized expert in the field. He is an instructor at the DEA Academy, and has presented this class to thousands of officers throughout the United States.

Location: Orange County Sheriffs Academy, 15991 Armstrong Ave Tustin, CA 92782. From the I-15 Freeway exit Redhill Ave, proceed south. Turn left on Valencia and arrive at the old Tustin Marine Corps Air Station (Large aircraft hangars).
